

Ladies and Gentleman, dear colleagues

It is a great pleasure for me inviting you to the next trauma congress of the Czech Trauma Society Novákovy traumatologické dny, which will be held on Oct 1st and 2nd 2015 in Brno, Czech Republic.

It is our traditional meeting, organized every two years by the team of the Trauma Hospital in Brno. This congress has a great tradition. It does not only deal with orthopedic traumatology, but in a great matter with visceral trauma and intensive care for polytraumatized patients too. The congress gives you an opportunity to meet trauma interested professionals and discuss with leading experts in this area. This year we have set Complications in trauma care as the main topic.

The international block in English language will be held on Friday Oct 2nd 2015.

Distinguished experts such as Prof. Peter Giannoudis from Leeds, U.K., Prof. Pol Maria Rommens from Mainz, Germany and Prof. Wilhelm Friedl from Aschaffenburg, Germany promised their participation.

Do not hesitate to participate also. We are looking forward to your registration! Please contact us for questions or assistance regarding registration or accommodation.

We are looking forward to seeing you in October 2015 in Brno, the second largest city of the Czech Republic. You will experience its beautiful flair and lovely surroundings.

With best wishes for you
Sincerely

Prof. Peter Wendsche, M.D., Ph.D.
